Fire Prevention Report: Deputy Chief Maloney shared that Fire Prevention has finished the year with a $90 \%$ inspection rate. Maloney thanked the crews and staff for their help in making that happen. Boardmember King asked about the correction period for a violation. Maloney reported that it depends on the violation, but typically thirty days.

Local 3219 Union Report: Local President Cody Brooke thanked everyone for their hard work advancing the RFA. The men and women of the Local are ready to get the word out to the public and get the RFA passed. Brooke stated the Local continues to advocate for adequately staffing the District at 24 personnel daily. Brooke stated that in November, per Chief McFalls, the Local drafted an MOU that would allow the staffing of an aid car based on volunteers by all ranks to equally distribute the work load. The document was submitted and the Local still stands by it and are willing to do what we need to do to staff the District appropriately. Brooke shared his frustration over the concern of mandatory overtime. He stated that the Administration is currently calling for mandatory overtime of our members to

teach a part time recruit academy but are not willing to do the same to adequately staff the District. Brooke stated staffing is a need for our citizens and asked that it be approved tonight.

## Old Business

Agenda Bill: FD12 Resolution 2019A-1 "Regional Fire Authority Plan"
District Attorney Weed shared that there are two main components required by state statue to form an RFA. First, approval of an RFA Plan and second is authorization to place the ballot measure on the April $23^{\text {rd }}$ ballot.

Commissioner Ross noted a date correction needed to the ballot language. Weed stated that an identical resolution will be forwarded to the City Council with the corrected ballot language.

2019 Staffing: Chief McFalls stated that the MOU that Local President Cody Brooke mentioned was discussed after the preliminary budget meeting where we originally talked about hiring four full-time employees in 2019 and the remainder to get to 24 per day to be filled by over time from January 1, 2019 to December 31, 2019. At the final budget meeting in late November it was proposed to hire ten full-time employees in lieu of hiring four full-time and utilizing a full year of overtime. As a phase in process to get to the ten hires, we would hire four in January, which we have already hired five, and hire up to six more throughout the year to reach our goal by December. Since then, we have moved that date up. We have converted two lateral FF/PM positions to lateral FTFF positions and are re-appropriating the existing budget line items as necessary. We have five more laterals to hire to reach our goal of ten by the end of 2019. The application period for lateral FF closes February 1, 2019. Interviews will immediately follow, moving five forward into background checks as soon as possible. Chief McFalls thanked President Cody Brooke and the Local for their help in the lateral hiring recruitment process. We expect to be fully staffed at 24 daily by June 1, 2019.

Commissioner Cook stated he would like to make a motion to amend the 2019 budget to include the use of overtime to immediately bring staffing to 24 daily as discussed at the MFD special meeting on December 27, 2018. Chief McFalls stated that after bringing that proposal to the Operations Committee, he stands by the original adopted plan of hiring four in January of 2019 and an addition six lateral FF with full staffing of 24 daily by June 1, 2019.

# JOI NT RESOLUTI ON <br> CI TY OF MARYSVI LLE RESOLUTI ON NO. SNOHOMI SH COUNTY FIRE PROTECTI ON DISTRICT NO. 12 RESOLUTI ON NO. 

#### Abstract

A JOINT RESOLUTION of the City Council of the City of Marysville, Washington, and the Board of Commissioners of the Snohomish County Fire Protection District No. 12, providing for the submission to qualified electors of the City and the District, at a special election to be held on April 23, 2019, of a proposition that, pursuant to Chapter 52.26 of the Revised Code of Washington, approves a plan to form a Regional Fire Protection Authority to be known as the Marysville Fire District within the boundaries of the City and the District, effective October 1, 2019.

#### Abstract

RECITALS A. The ability and demands to respond to emergency situations by fire protection and emergency medical service agencies has increased and progressed with community needs and special service demands. Providing an effective fire protection and emergency medical service system requires a collaborative partnership and responsibility among local and regional governments and the private sector.

B. There are efficiencies that can be gained by regional fire protection and emergency medical service delivery, while maintaining local control.
C. The City of Marysville ("the City") and the Snohomish County Fire Protection District No. 12, ("the District") have had a long-standing cooperative partnership,
striving to provide the highest level of fire and emergency medical services to their citizens within the confines of available resources. This cooperative partnership began with an interlocal agreement in 1991, which provided that the City and the District would work together cooperatively as the Marysville Fire District. While this cooperative relationship served the public well for many years, as a result of the needs of a growing community and demands for enhanced fire and EMS services the City and the District have determined that it is in the public interest to place a measure before the voters that if approved would result in formation of a regional fire authority (RFA).
D. Pursuant to RCW 52.26.030 and 52.26.040 the City and the District formed an RFA Planning Committee to evaluate the feasibility of creating a new and separate regional fire authority to provide the fire protection and emergency services within the boundaries of the City and the District. The members of the Planning Committee included the Mayor, three City Council members and the three Fire District Commissioners. Over a period of several months, the Planning Committee met and created a Regional Fire Authority (RFA) Plan ("Plan") providing for the governance, design, financing, and development of fire protection and emergency services.
E. The Planning Committee held its final meeting on November 27, 2018 and unanimously recommended approval of the Plan to the City Council and District Commissioners. By adoption of this Joint Resolution the Plan is formally adopted and certified to the ballot pursuant to RCW 52.26 .060 by both the City and the District. Copies of the Plan are available from the administrative offices of the City and the District.
F. Authority to form a RFA is authorized by Chapter 52.26 RCW. Chapter 52.26 RCW requires that in order to form a RFA, the Plan must be approved by the voters of the area affected by the Plan. Therefore, in accordance with the Plan and state law, it is appropriate to place before voters within the proposed
service boundaries of the RFA at a special election to be held on April 23, 2019, calling for the creation of a RFA which shall be known as the "Marysville Fire District", to be funded by a $\$ 1.45$ per $\$ 1,000$ assessed value property tax levy and the approval of the Plan, all in accordance with state law.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MARYSVILLE, WASHINGTON, AND THE BOARD OF COMMISSIONERS OF THE SNOHOMISH COUNTY FIRE PROTECTION DISTRICT NO. 12, AS FOLLOWS:

## RESOLUTION

SECTION 1. - Adoption of Plan for Marysville Fire District Regional Fire Authority. The City Council of the City of Marysville and the Board of Commissioners of the Snohomish County Fire Protection District No. 12 hereby formally adopt the Marysville Fire District Regional Fire Authority (RFA) Plan a true and correct copy of which is attached as Exhibit A and incorporated by this reference.

SECTION 2. - Findings of Marysville City Council and Snohomish County Fire Protection District No. 12. The City Council of the City of Marysville Washington and the Board of Commissioners of the Snohomish County Fire Protection District No. 12 hereby adopt each of the recitals above as findings and further find that it is in the best interest of the City and the District to submit to the qualified electors of the City and the District at a special election to be held on April 23, 2019, a proposition to adopt the Plan that creates a RFA which shall be known as the "Marysville Fire District", which if approved will be funded by a property tax not to exceed $\$ 1.45$ per thousand of assessed value. If approved by a majority of the total persons voting on the ballot measure within the boundaries of the authority in accordance with RCW 52.26.060, effective October 1, 2019, this proposition would create a RFA as provided in chapter 52.26 RCW with boundaries coextensive with the boundaries of the City of Marysville and the Snohomish County Fire Protection District No. 12.

SECTION 3. - Proposition for Voter Submittal. There shall be submitted to the qualified electors of the District and the City for their approval or rejection, at a special election on April 23, 2019, the question of whether or not the RFA known as the Marysville Fire District should be created in accordance with the Plan and funded with the real property tax levies referenced above. The Board of Commissioners of the Snohomish County Fire Protection District No. 12 and the City Council of the City of Marysville hereby request that the auditor of Snohomish County, as ex-officio Supervisor of Elections call such election and to submit the following proposition at such election, in the form of a ballot title substantially as follows:

## SECTION 1 - BACKGROUND AND NEEDS

A. Background and Needs:

1. The ability to respond to emergency situations by fire protection and emergency services jurisdictions has not kept up or progressed with the region's needs and special service demands. Anticipated increases in population, residential density and building heights will likely exacerbate this problem.
2. Providing a fire protection and emergency services system requires a collaborative partnership and responsibility among local and regional governments, the private sector, and the community.
3. Delivery of core emergency services and timely development of significant projects can best be achieved through stable funding options for regional fire protection and emergency services.
4. The City of Marysville and Snohomish County Fire Protection District No. 12 have had a cooperative partnership, striving to provide the highest level of fire and emergency services to our community within the confines of available resources through a longstanding interlocal agreement by which they jointly provide services as the Marysville Fire District.
5. The City of Marysville and Fire Protection District No. 12 will be asking its citizens to consider combining all functions and services provided by the City of Marysville and Snohomish County Fire Protection District No. 12 into a single regional fire authority (RFA) entity, called the Marysville Fire District.
6. The Planning Committee established this Plan as authorized under state law using an approach to equitably share costs and contribute assets to form a Regional Fire Authority (RFA).
7. Upon joint approval by the Marysville city attorney and the District's attorney, staff of the City and District are authorized to jointly make necessary corrections to this RFA Plan prior to its submission to voters, including scrivener's errors or clerical mistakes; references to local, state, or federal laws, rules, or regulations; references to interlocal agreements; or numbering or referencing of sections and subsections of this RFA Plan.

# EXPLANATORY STATEMENT 

## PROPOSITION 1- City of Marysville and Snohomish County Fire Protection District No. 12

Proposition 1 asks voters to decide whether to form a Regional Fire Authority (RFA) to be known as the Marysville Fire District encompassing the boundaries of the City of Marysville and Snohomish County Fire District 12. Proposition 1 also asks voters to approve a service plan for the operation of the RFA. If Proposition 1 passes, a RFA will be formed on October 1, 2019, in accordance with the plan approved by the City Council and Board of Fire Commissioners for submission to the voters. The RFA will be a separate entity governed by a board of four Marysville City Councilmembers and one Fire District 12 Commissioner.

If the measure is approved, the RFA would levy taxes to be collected beginning in 2020. The RFA levy will be $\$ 1.45$ per $\$ 1,000$ of assessed value. The owner of a $\$ 300,000$ home in the city limits will pay about $\$ 249.40$ more a year in tax or about $\$ 20.78$ more per month. The owner of a $\$ 300,000$ home in the District boundaries will pay about $\$ 126.00$ more a year in tax or about $\$ 10.50$ more per month.
