

LP Gas Checklist

Project Name: _____
 Project Address: _____
 Project Contact: _____

General Project Submittal Minimum Standards:

Plans which do not contain the minimum information required will not be accepted for plan check.

Applicant	Office Use Only	
		Minimum Plan Review Standards
		Completed Permit ELECTRONIC PERMIT APPLICATION required at the time of plan submittal.
		Clear and legible ELECTRONIC DRAWINGS .
		LINES and letters must be dark enough to provide good contrast on paper.
		TEXT must be easily read without magnification.
		Pencil electronic drawings are <u>not</u> acceptable (including corrections or alterations).
		SCALE: All drawings must be drawn to scale.
		SIZE REQUIREMENTS: Electronic drawings must be of one size. Size of plans must be adequate size to allow for plan review.
		Washington State Law requires that any registered professional who prepares or supervises the preparation of drawings and construction documents stamp and sign such documents.
		Compass direction and clearly marked scale on all plans.
		Provide a narrative of the scope of work.
		Completed Permit ELECTRONIC PERMIT APPLICATION required at the time of plan submittal.

Requirements:

Applicant	Office Use Only	
		Description of Requirements
		ELECTRONIC DRAWINGS: Provide clear and legible drawings with cut sheets for this specific residential/commercial structure required for submittal. Note: Additional drawings may be required to be submitted if the applicant requires more than one stamped, approved set of plans.

		Location of any fire barriers, fire walls, fire doors and room construction details.
		Occupancy type of each room or area.
		System Information:
		Legend showing all symbols, device descriptions, size, and type.
		Make, model, type, and location of all pressure relief devices.
		Make, model and type of electrical wire being used.
		Safety sign type and location.
		Type of security and physical protection that will be used.
		Overfill protection.
		Show markings on all containers.
		User manual for self service locations.
		Compliance with NFPA 58 will also be required.

Please read the information below and sign before submitting your application:

Your application shall be deemed complete only if this checklist is completed and submitted along with the submittal package. Submittals not accompanied by a checklist will not be accepted. Accuracy of the submittal package, including this checklist, is the responsibility of the applicant. Failure to submit an accurate submittal package will be considered an incomplete application by the Plan Reviewer. An incomplete submittal will result in a HOLD. A resubmittal (new submittal package) will be required and always results in a delay.

I have checked the application boxes and have included those requirements in my submittal.
