WHEREAS, the Village Council is the governing body of the Consolidated Borough of Quil Ceda Village under the Village Charter approved by the Tulalip Tribes' Board of Directors pursuant to Ordinance 111; and

WHEREAS, under the Village Charter Article I, Section 4, the Village Council has authority to enter into contracts with neighboring government entities to carry out its duties to protect and provide for the safety of persons and property within the Village; and

WHEREAS, the Fire District may enter into contracts with other governmental entities pursuant to the Inter-Local Cooperation Act, RCW 39.34 and RCW 52.26.090; and

NOW THEREFORE, in consideration of the foregoing recitals and the mutual covenants and promises hereafter set forth, the Parties do hereby agree as follows:

**1. PURPOSE**

This Agreement is entered into for the purpose of providing fire suppression, emergency medical services, fire prevention, hazardous materials response, and technical rescue services to the Village in exchange for agreed compensation to the Fire District.

**2. TERM**

The term of this Agreement shall be for a period of one (1) year, commencing on January 1, 2022, and terminating on December 31, 2022. If the Parties wish to amend or terminate the Agreement prior to December 31, 2022, notice of intent to amend or notice of intent to terminate shall be provided no later than 90 days prior to the proposed amendment or proposed termination date.

The Fire District agrees to provide services to the Village for an additional six-months beyond the expiration of the term on December 31, 2022, or until the Village is able to secure services with another fire agency, whichever is sooner, in the event the Fire District provides: (i) a notice to terminate this Agreement; or (ii) a notice of proposed amendment and the Parties are unable to renegotiate new terms of such amendment within 90 days of such notice. Nothing in this agreement shall prevent the Parties from extending these time frames upon mutual agreement in writing.

In the event of simultaneous emergencies whereby the Fire District's resources are taxed beyond its ability to render equal protection, the officers and/or agents of the Fire District shall determine how to allocate the resources of the Fire District. It is understood and agreed by the Village that the Fire District may, in responding to specific incidents or requests for assistance, rely on support provided through mutual aid or inter-local cooperation agreements by other agencies in addition to its own personnel, vehicles, and equipment. Except for assistance provided by the Fire District through mutual aid agreements, the Fire District shall be the sole provider of fire and emergency medical services during the term of this Agreement.

## **9. DISPUTE RESOLUTION**

The Parties to this Agreement consent to submission of disputes arising under this Agreement, to binding arbitration in accordance with this Section. Such arbitration shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect, except as specifically altered by this agreement. The Arbitrator shall be selected as follows: The Parties shall first attempt to mutually agree on a single arbitrator to decide the dispute. If the Parties cannot agree on the selection of an arbitrator within 30 days of invoking arbitration, the dispute shall be decided by a three-person arbitration panel selected as follows: each party shall select one member of the panel, and the two panel members shall jointly select a third. In such arbitration, the arbitrator(s) shall have the power and authority to grant legal and equitable remedies, including interpretation of this agreement, damages, injunctive relief and specific performance. Nothing in this Section is intended to preclude the Parties from agreeing to mediation to resolve a dispute prior to involving arbitration.

### **9.3 Sovereign Immunity and Jurisdiction.**

By signing the Agreement, the Village neither waives, limits nor modifies its sovereign immunity from any lawsuit, except as expressly provided in this Section 9. The Village hereby expressly and irrevocably waives its sovereign immunity (and any defense based thereon) for arbitration of claims arising out of or related to the agreement, but only pursuant to the provisions of this Dispute Resolution Section 9, and for judicial proceedings before the U. S. District Court

for the purposes of compelling arbitration of a claim, confirming an arbitration award or collecting sums due and owing pursuant to and otherwise enforcing any award or judgment. The Village hereby irrevocably consents to and submits itself to jurisdiction of any arbitration proceeding convened pursuant to the terms of the agreement, to the U.S. District Court for the Western District of Washington.

This limited waiver of sovereign immunity is solely for the benefit of the Marysville Fire District for the purposes of arbitration, and the Village, by granting this limited waiver to the Marysville Fire District, does not otherwise waive its sovereign immunity.

**10. INDEMNIFICATION/HOLD HARMLESS**

Each party agrees that it will be responsible for its own acts or missions and the damages or other consequences thereof as a result of the undertakings that the party has agreed to perform under this Agreement. Each party further agrees that it will indemnify and/or defend any other party, at the other party's option, for any injury to persons or damage to property resulting in any manner from a negligent act or omission of the indemnifying party which arises from the undertakings that the indemnifying party has agreed to perform under this Agreement.

**11. ASSIGNMENT**

This Agreement and any extension thereof may be assigned by the Fire District to any public entity which is a successor to the Fire District in part or in its entirety which assumes the responsibilities set forth in Section 6 hereof, with approval from the Village. In the event of such assignment the Fire District shall give the Village not less than 90 days written notice of such assignment. In the event the Village does not approve assignment, either party may provide notice of its intent not to renew at the end of the current term, notwithstanding the notice requirements set forth in section 2 of this Agreement.

**12. NO THIRD PARTY BENEFICIARIES**

This agreement is entered into for the benefit of the Parties to this Agreement only and shall confer no benefits, direct or indirect, to any third party.

**14. EXECUTION/RECORDING**

Pursuant to Chapter 39.34 RCW, this Agreement shall not become effective until acted upon by the legislative body for the Fire District and the Village and the Agreement is filed with the County Auditor or listed by subject on the Tribes or Fire District web site or other electronically retrievable public source.

**15. NO SPECIAL DUTY CREATED**

- a. It is the purpose of this Agreement to provide for the health, welfare, and safety of the general public, and not to create or otherwise establish or designate any particular class or group of persons who will be especially protected or benefitted by the terms of this Agreement.
- b. Nothing contained in this Agreement is intended to be, nor shall be construed to create or form the basis for, any liability on the part of the Fire District or its officers, agents, and employees for any injury or damage resulting from the failure of any premises to abate a nuisance or to comply with the provisions of this Agreement or be a reason or a consequence of any inspection, notice, or order, in connection with the implementation or enforcement of this Agreement, or by reason of any action of the Fire District related in any manner to enforcement of this Agreement by its officers, agents, or employees.

**16. SEVERABILITY**

In the event any term or condition of this agreement or application thereof to any person or circumstances is held invalid, such invalidity shall not affect other terms, conditions, or applications of this Agreement which can be given effect without the invalid term, condition, or application. To this end the terms and conditions of this Agreement are declared severable.

**17. ENTIRE CONTRACT**

This instrument constitutes the entire Agreement between the Parties and supersedes all prior Agreements.
