absence of the President. Immediately following the election of Governing Board Members, at the first meeting of the Governing Board, the officers shall be elected by Simple Majority Vote of the Members. In the event of a vacancy in the President position, the Vice-President shall assume the President position for the balance of the term of the departed President. In the event of a vacancy in the Vice-President position, the Governing Board shall by Simple Majority Vote elect a new Vice-President to serve to the balance of the term of the departed Vice-President. Any officer appointed by the Governing Board may be immediately removed by Simple Majority Vote of the Governing Board, with or without cause, in which event the Governing Board shall promptly elect a new officer who shall serve for the remainder of the unexpired two-year term. Regular meetings shall be held pursuant to a schedule adopted by the Governing Board. Special meetings may be called by the President or a majority of Governing Board Members upon giving all other Members notice of such meeting in accordance with chapter 42.30 RCW (which, as of the date of this Agreement, requires written notice to be provided to each Member at least twenty-four (24) hours prior to the meeting). Notwithstanding the foregoing, the President or Members calling a special meeting will, in good faith, attempt to provide at least ten (10) days prior written notice of a special meeting, however, failure to do so will not invalidate any otherwise legal action taken at a meeting where the proper notice was provided in accordance with chapter 42.30 RCW. In an emergency, the Governing Board may dispense with written notice requirements for special meetings, but must, in good faith, implement best efforts to provide fair and reasonable notice to all Governing Board Members. Members of the Governing Board may participate in a meeting through the use of any means of communication by which all Members and members of the public participating in such meeting can hear each other during the meeting. Any Governing Board Members participating in a meeting by such means is deemed to be present in person at the meeting for all purposes including, but not limited to, establishing a quorum.

o. Consultation with Technical Advisory Committees. It is the intent of this Agreement that the Governing Board shall seek the active participation and advice of Participating Agencies in the determination of Snohomish County 911 operating policies. The Technical Advisory Committees shall have the opportunity to provide reports at each regular Governing Board meeting. The Governing Board shall consider input from the Technical Advisory Committees in its deliberations.

p. Boundary Changes or Service Territory Changes. It is the responsibility of each Participating Agency to provide reasonable advance notice to Snohomish County 911 of any boundary changes, or service territory changes that may occur due to annexation, merger, or other reason, so that Snohomish County 911 may accurately dispatch calls, accurately track calls for service data and accurately assess User Fees; provided, however, until such time as Snohomish County 911 has sufficiently accurate data (such as an official population estimate from the State) by which to calculate User Fees for the Participating Agencies(s) involved, Snohomish County 911 shall continue to bill each Participating Agency on the basis of Snohomish County 911's most accurate data and the parties involved in the boundary or service territory change shall amongst themselves address any User Fee allocation issues.

q. Service Changes; Merger or Annexation of a Participating Agency; Formation of New Public Safety Interlocal Operation. It is the responsibility of each Participating Agency to provide reasonable advance notice to Snohomish County 911 of any boundary changes, or service territory changes that may occur due to annexation, merger, or other reason.

In the event a Participating Agency merges or annexes to a Principal or becomes a member agency of a Public Safety Interlocal Operation that is a Principal, the merged or annexed Participating Agency's rights and obligations under this Agreement shall be assumed in full by the Principal without further action by the Governing Board.

In the event that Participating Agencies, which meet the qualifications of this paragraph, join together to create a new Public Safety Interlocal Operation (for example and without limitation, creation of a new regional fire authority under chapter 52.26 RCW), and as a result of such formation the fire/EMS operation or police operation of such Participating Agencies are no longer Directly Served by Snohomish County 911, then after all of the necessary assignments and agreements are executed related to the creation of the Public Safety Interlocal Operation, the newly created Public Safety Interlocal Operation shall become a Principal and a party to this Agreement without further action of the Governing

Notwithstanding the foregoing, in order for the newly created Public Safety Interlocal Operation to become a Principal and a party to this Agreement without further action of the Governing Board, each Participating Agency at the time of formation of the newly created Public Safety Interlocal Operation must (i) be a current Principal and party to this Agreement, or (ii) have previously been a member of SNOCOM or SNOFAC and otherwise independently qualifies as a Principal under this Agreement.

Notwithstanding anything in this paragraph to the contrary, if a merged or annexed Principal retains a separate public safety operation that is Directly Served by Snohomish County 911, then that Principal shall maintain its status and shall retain all its rights and obligations under this Agreement with respect to its Directly Served public safety operation.

r. Associate Agencies. Associate Agencies shall be charged a nominal annual membership fee at a level set from time to time by Simple Majority Vote of the Governing Board. An Associate Agency which stops contracting for police and/or fire/EMS services from a Principal and requests to be Directly Served by Snohomish County 911 shall be approved by the Governing Board as a Principal per Section 14.d and shall not be subject to any latecomer fees in making this transition.

c. Alternates. Each Representative serving on a Technical Advisory Committee may designate one alternate, confirmed in writing, to serve when such Representative is absent or unable to serve provided that such alternates must have operational responsibilities within their respective agencies. Written notice of the appointment of an alternate shall be provided to the Chair the applicable Technical Advisory Committee prior to the alternate serving in the absence of the Representative.

d. Powers. Each Technical Advisory Committee shall meet individually as frequently as their members deem appropriate, but not less than twice each year, for the purpose of promoting interagency collaboration and cooperation, information sharing, discussion and review of agency operating policy and such other matters as the Governing Board may request. The Technical Advisory Committees shall provide advice, information, and recommendations to the Governing Board and the Executive Director.

e. Quorum. One-quarter of the Representatives of each Technical Advisory Committee (or any alternates present and participating in place of a Representative) shall constitute a quorum for meetings of such Committee.

g. Officers. Each Technical Advisory Committee shall have two officers, a Chair and Vice-Chair. It will be the function of the Chair to preside at the meetings of his/her respective Technical Advisory Committee, and the Vice-Chair shall assume this role in absence of the Chair. The officers shall be annually elected by vote of the Committee Representatives.

h. Staffing. The Technical Advisory Committees shall be staffed by the Executive Director, or his or her designee, and such additional agency staffing as the Executive Director may deem appropriate.

Special meetings may be called by the Chair of the Technical Advisory Committee or a majority of the Representatives of the Technical Advisory Committee. Members of the Technical Advisory Committees may participate in meetings through the use of any means of communication by which all Representatives and members of the public participating in such meeting can hear each other during the meeting. A Supermajority Vote of the Governing Board is required to appoint the Executive Director of Snohomish County 911.

The Executive Director shall be responsible to the Governing Board and shall advise it from time to time on a proposed budget and other appropriate matters in order to fully implement the purposes of this Agreement. Emergency Public Safety Radio System Replacement Project. Notwithstanding anything in this Agreement to the contrary, no Participating Agency assumes the obligation to fund capital costs related to the design, development, construction or maintenance of the Radio System Replacement Project, and neither the full faith and credit or taxing power is pledged by a Participating Agency for such purpose, except as such obligation may be agreed to and specifically set forth in a separate agreement between the Participating Agency and Snohomish County. **SECTION 12. BUDGET; ASSESSMENT FORMULA; PAYMENT OF ASSESSMENTS; DELINQUENCIES; RESERVE FUNDS.**

a. Budget Fiscal Year. The Snohomish County 911 budget fiscal year shall be either the calendar year, or two calendar years, as the Governing Board may determine.

c. Budget Approval. The Executive Director shall present a proposed budget to the Governing Board by no later than **August 1** preceding the next budget period and the Governing Board shall approve its budget by no later than **September 25**. Thereafter and in no event later than **September 30**, Participating Agencies shall be advised on the programs and objectives contained in the proposed budget, of any changes in the User Fee formula(e), and of the required financial participation for each Principal and Subscriber for the following year(s) based upon the proposed budget. Participation by each Principal and Subscriber is contingent upon subsequent legislative appropriation for the following fiscal year. Principals and Subscribers shall promptly notify Snohomish County 911 if it does not approve its budget allocation. Any Principal not approving its full budget allocation (Assessment and cost of any Additional Services it has agreed to purchase) shall be automatically converted to Subscriber status effective the first day of the budget year (whether biennial or annual) for which the Principal did not approve its budget allocation, and subject to penalty as described in Section 12.

d. User Fee Formula. The User Fee formula applicable to Principals for Emergency Communications Services referred to as the “Assessment formula”, shall be initially approved as set forth in **Exhibit B** to this Agreement. The Assessment formula(e) may be changed from time to time as part of the budget process, and any such changes shall be approved by Supermajority Vote of the Governing Board in accordance with Section 6.i. Additional Services require only Simple Majority Vote of the Governing

Board to approve. The Assessment formula(e) for Principals may be different from the User Fee formula applicable to Subscribers. It is expressly contemplated that Participating Agencies may become subject to differential User Fee formulae (including differential Assessment formula(e)) over time based upon the benefit conferred to such agencies.

e. Payment of Assessments. Assessments shall be payable not less frequently than quarterly on or before such dates as the Governing Board may determine.

f. Delinquent Assessments. Snohomish County 911 shall, within seven (7) business days of the due date, send notice to any delinquent Principal and provide a 60-day cure period from the original due date of the payment. If such Assessments, are not paid in full within 60 (sixty) days of the original due date, then the Principal delinquent in payment of Assessments shall upon such 60th day be deemed immediately converted to the status of a Subscriber as described in Section 14. In the event a Principal converted to Subscriber status due to non-payment of fees shall not have paid in full all Assessments owing by six (6) months after the original due date, then the Governing Board may terminate services to such Subscriber, which termination shall not absolve the Subscriber of its obligation to pay all Assessments past due, together with all accrued interest, calculated at 1.5% per month from the date the Assessment was originally due.

g. Terms of Subscriber Contracts. Snohomish County 911 may enter into contracts with Subscribers from time to time for the purpose of providing Emergency Communication Services and other services as provided herein. Subscriber contracts may provide for the same or different payment schedules and payment formulas as those which apply to Principals; provided that, a Subscriber which, at the time it determined to become a Subscriber, was qualified to become a Principal but elected not to, shall be subject to payment of a risk premium of not less than six percent of its annual User Fees, or such other greater amount as the Governing Board may determine. Revenues from such risk premium shall be placed in Snohomish County 911 reserves.

Subscriber contracts shall provide that User Fees not paid when due by a Subscriber shall begin to accrue interest on the date the User Fee was originally due and shall continue until the User Fee is paid (together with all accrued interest) in full at the Federal Prime Rate plus 3%. Snohomish County 911 shall, within seven (7) business days of the due date, send notice to any delinquent Subscriber. In the event a Subscriber does not pay in full all User Fees plus accrued interest within six (6) months from the date of initial delinquency, the Governing Board may terminate services to such Subscriber. Any such termination shall not absolve the Subscriber of its obligation to pay any amounts owing to Snohomish County 911, including any accrued interest.

h. Reserve Funds. The Governing Board shall establish capital and operating reserve funds or accounts at the times and in the amounts necessary to ensure funds are

on hand to reasonably address planned and unforeseen capital and operating expenses and to minimize the need for large increases in Assessments and/or User Fees from year to year as a result of acquisition or replacement of capital assets or equipment, and to fund the timely replacement of aging technology, equipment and systems.

SECTION 13. ISSUANCE OF DEBT.

Except as otherwise provided in Section 5, Snohomish County 911 shall not have the power to issue obligations or to incur debt. However, it is anticipated that Snohomish County 911 may require capital funding from time to time to support facilities, technology and equipment needs. Bonds, notes or other evidences of indebtedness may be issued from time to time by one or more Participating Agencies or by another issuer pursuant to a separate agreement between one or more Participating Agencies and Snohomish County 911 in order to provide capital financing for Snohomish County 911 on terms as agreed upon by the parties thereto. The security and sources of payment for any such debt will be determined at the time of issuance, which may include User Fees and/or capital contributions from the Principals. Any User Fees and/or capital contributions for such purposes shall be approved by Supermajority Vote of the Governing Board. Further, in the event that any Principal is obligated to make a capital contribution, such obligation shall be subject to approval by its legislative authority.

To the extent that any bonds or other debt is issued on a tax-exempt basis under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), the Participating Agencies agree to not (1) make any use of the proceeds from the sale of such bonds or other debt that will cause the bonds or other debt to be “arbitrage bonds” within the meaning of the Code, or (2) act or fail to act in a manner that will cause the bonds or other debt to be considered obligations not described in Section 103(a) of the Code.

Notwithstanding the foregoing, nothing in this Agreement shall be interpreted to amend or otherwise modify any terms or conditions of a separate agreement between a Participating Agency and Snohomish County (or other Participating Agency or Agencies) with respect to capital contributions, guarantees or the repayment of debt.

SECTION 14. CONVERSION OF STATUS OF PARTICIPATING AGENCIES; ADDITION OF NEW PRINCIPALS OR SUBSCRIBERS; PROVISION OF ADDITIONAL SERVICE TO PRINCIPALS.

a. As described in Sections 12.c and 12.f hereof, a Principal may be converted to Subscriber status for failure to approve its share of the budget or for nonpayment or delinquency in payment of User Fees. On the date of such conversion, said former Principal shall:

- i. lose its right to participate in a caucus for selecting a voting Governing Board member;
- ii. lose its right to receive a share of Snohomish County 911 assets upon dissolution of Snohomish County 911;
- iii. become subject to payment of User Fees in accordance with the then applicable User Fee formula for Subscribers; and
- iv. be bound by the terms of the applicable Subscriber service contract(s).

The conversion of a Principal to Subscriber shall not discharge or relieve any Principal of its outstanding obligations to Snohomish County 911.

b. A Principal may alternately elect to convert to Subscriber status effective the first day of the next budget period (whether Snohomish County 911 is operating under an annual or biennial budget) by giving notice of its intent to the Governing Board not less than nine (9) months in advance of such effective date. Such conversion shall be effective as proposed without further action of the Governing Board, barring any basis for terminating the Principal and action thereon by the Governing Board.

c. A governmental entity otherwise meeting the qualifications of a Principal in Section 3 hereof may be admitted as a Principal of Snohomish County 911 upon Supermajority Vote of the Governing Board as required under Section 6.j. Similarly, a Subscriber may apply to the Governing Board to be converted to Principal status. As a condition of becoming a Principal, whether by conversion or new admission, the Governing Board may require payment or other contributions or actions by the new Principal as the Governing Board may deem appropriate, and may set such start date for service as it deems appropriate, it being the intention of this provision that the addition of new Principals shall not cause the then-current Participants to incur additional cost. Upon such conversion or new admission, such new Principal shall execute this Agreement or agree in writing to the term of this Agreement in its capacity as Principal and shall thereafter be subject to all provisions of this Agreement applicable to Principals.

d. Notwithstanding anything to the contrary in this Agreement, an Associate Agency meeting the qualifications of a Principal may become a Principal effective the first day of the next budget year, without making any latecomer payment or contribution, upon giving notice of its intent to the Governing Board not less than nine (9) months in advance of such effective date. Such conversion shall be become effective on such date without further action of the Governing Board.

e. The determination of whether to accept new Subscribers shall be made by the Governing Board in a manner similar, and subject to such terms and conditions, as that for accepting new Principals, it being the intention that the addition of new Subscribers shall not cause pre-existing Participating Agencies to incur additional cost.

f. A Principal wishing to receive service from Snohomish County 911 for an operating department in addition to a department already served by Snohomish County 911 may make application to the Governing Board in the same manner as, and be subject to such conditions and approvals as the Governing Board may deem appropriate for, an entity (other than an Associate Agency) seeking admission as a new Principal.

SECTION 15. RETAINED POWERS OF PARTICIPATING AGENCIES.

Each Participating Agency shall retain the responsibility and authority for its operational departments and for such equipment and services as are required at its place of operation to interconnect to Snohomish County 911's operations. Interconnecting equipment and services necessary to the provision of authorized Snohomish County 911 services may be funded through Snohomish County 911's budget and operational programs.

SECTION 16. INVENTORY AND PROPERTY.

Equipment, vehicles and furnishings for Snohomish County 911's operation shall be acquired as provided by law. If any Participating Agency provides equipment or furnishings for Snohomish County 911's use, title to the same shall rest with the respective local entity unless that equipment or furnishing is acquired by Snohomish County 911. The Executive Director shall maintain and bi-annually update an inventory of equipment and furnishings owned by, leased or temporarily assigned to Snohomish County 911, and the values thereof. In event of dissolution or termination of Snohomish County 911, assigned or loaned items shall be returned to the lending entity and all other items or funds derived from the sale thereof shall be distributed to Principals as described in Section 20.

SECTION 17. WITHDRAWAL BY OR TERMINATION OF PRINCIPAL.

a. Any Principal may withdraw its membership and terminate its participation in this Agreement by providing written notice and serving that notice on the Governing Board on or before June 30 in any year. After providing appropriate notice as provided in this Section, that Principal's membership withdrawal shall become effective on the last day of the calendar year following the year in which the notice is given. A Principal that has given notice of its intent to terminate must meet with the Executive Director or his or her designee to develop a departure plan. The departure plan is intended to ensure an orderly separation of the Principal from New Agency and ensure minimal disruption in 911 Calls response for the public. The departure plan may include the transfer of funds and equipment

or other assets and must be approved by Simple Majority Vote of the Board. Notwithstanding anything herein to the contrary, Principals shall be prohibited from withdrawing their membership and terminating their participation in this Agreement during the Initial Term; provided, a Principal may give appropriate notice of its intent to withdraw pursuant to this Section during the Initial Term, and in such event that Principal's membership withdrawal shall become effective on the last day of the calendar year that coincides with the end of the Initial Term.

b. Notwithstanding the foregoing, a Principal may be terminated at any time by action of the Governing Board for delinquencies of at least six (6) months in payment of Assessments and interest per Section 12.f.

c. Time is of the essence in giving notice of termination and/or withdrawal.

d. A terminating and/or withdrawing Principal is deemed to forfeit any and all rights it may have to Snohomish County 911's personal or real property, or any other ownership in Snohomish County 911, unless otherwise provided by the Governing Board; provided further that this forfeit of rights shall not apply to personal property on loan to Snohomish County 911 from the terminating or withdrawing Principal.

e. The termination and/or withdrawal of a Principal shall not discharge or relieve any Principal of its outstanding obligations to Snohomish County 911.

f. A Governing Board Member representing a Principal that (i) has given notice of withdrawal, or (ii) has been terminated by vote of the Governing Board which termination is effective at a future date, shall be authorized to cast votes at the Governing Board only on budgets items to be implemented prior to the withdrawal or termination date.

SECTION 18. AMENDMENT OF AGREEMENT.

The following terms of this Agreement may only be amended in writing after receipt of the approval of the legislative authorities of all Principals:

- a. Expansion of the scope of services provided by the Snohomish County 911 beyond the scope of Section 4.
- b. The composition of the Governing Board and terms of office as provided in Sections 6.a and 6.d.
- c. Voting rights of Governing Board Members.
- d. Powers of the Governing Board.

- e. Hold harmless and indemnification requirements.
- f. Provisions regarding duration, termination or withdrawal.
- g. The conditions of this Section.

The parties to this Agreement acknowledge and agree that provisions in this Agreement that are not specifically identified in (a) through (g) above reflect the Principals' direction as to the initial operational and administrative policies and procedures to be implemented by the Governing Board. With the exception of the foregoing items that require affirmative approval of the legislative authorities of all Principals, the parties to this Agreement authorize the Governing Board to modify this Agreement from time to time in order to carry out the corporate purposes of Snohomish County 911. Any such modification shall be in writing and executed by the President of the Governing Board after providing not less than thirty (30) days' advance written notice to all Principals of such proposed modification, and upon approval of a Supermajority Vote of the Governing Board.

Nothing in this Section shall be construed to require legislative authority consent for the addition of a new Principal, conversion of an Associate Agency to a Principal, or agreement to serve an additional Subscriber.

SECTION 19. MERGER, CONSOLIDATION OR SALE OF ALL OR SUBSTANTIALLY ALL ASSETS.

Approval of the merger or consolidation of Snohomish County 911 with another entity, or the sale of all or substantially all assets of Snohomish County 911, shall require a Supermajority Vote of the Governing Board.

SECTION 20. TERMINATION OF AGREEMENT; DISSOLUTION.

a. Generally. This Agreement may be terminated upon the approval of a Supermajority Vote of the Governing Board. The termination shall be by direction of the Governing Board to wind up business by a date specified by the Governing Board, which date shall be at least one (1) year following the date of the vote to terminate. Upon the final termination date, this Agreement shall be fully terminated.

b. Distribution of Property on Termination of Agreement. Upon termination of this Agreement, all property acquired during the life of this Agreement remaining in ownership of Snohomish County 911 shall be disposed of in the following manner:

- i. Real or Personal Property. All real or personal property purchased pursuant to this Agreement and all unexpended funds or reserve funds, net of all outstanding Snohomish County 911 liabilities, shall be distributed to those

Principals still participating in the Snohomish County 911 on the day prior to the termination date and shall be apportioned between Principals based on the ratio that the average of each Principals' contributions to the operating budget over the preceding five (5) years bears to the total of all then remaining Principals' User Fees paid during such five-year period. The Governing Board shall have the discretion to allocate the real or personal property and funds as it deems appropriate, and the apportionment, determined consistent with the preceding sentence, need not be exact.

ii. Loaned Property. In the event of dissolution or termination of the Snohomish County 911, assigned or loaned assets shall be returned to the lending entity.

iii. Allocation of Liabilities. In the event outstanding liabilities of the Snohomish County 911 exceed the value of personal and real property and funds on hand, all Principals shall contribute to retirement of those liabilities in the same manner as which they would share in the distribution of properties and funds.

c. Notwithstanding the foregoing, this Agreement may not be terminated if to do so would abrogate or otherwise impair any outstanding obligations of the Snohomish County 911, unless provision is made for those obligations.

SECTION 21. DISPUTE RESOLUTION.

a. Whenever any dispute arises between a Principal or the Principals or between the Principals and the Snohomish County 911 (referred to collectively in this Section as the "parties") under this Agreement which is not resolved by routine meetings or communications, the parties agree to seek resolution of such dispute by the process described in this Section, which shall also be binding on Subscribers.

b. The parties shall seek in good faith to resolve any such dispute or concern by meeting, as soon as feasible. The meeting shall include the President of the Governing Board, the Executive Director, and a representative(s) of the Principal(s), if a Principal(s) is involved in the dispute, and/or a person designated by the Subscriber(s), if a Subscriber(s) is involved in the dispute.

c. If the parties do not come to an agreement on the dispute or concern, any party may request mediation through a process to be mutually agreed to in good faith between the parties within 30 days, which may include binding or nonbinding decisions or recommendations (whichever is mutually agreed to). The mediator(s) shall be mutually agreed upon and shall be skilled in the legal and business aspects of the subject matter of

this Agreement. The parties shall share equally the costs of mediation and assume their own costs.

SECTION 22. INSURANCE.

The Governing Board, Executive Director, and Technical Advisory Committees shall take such steps as are reasonably practicable to minimize the liability of the Participating Agencies, including but not limited to the utilization of sound business practice. The Governing Board shall determine which, if any, insurance policies or self-insurance programs for governmental entities authorized in the State of Washington may be reasonably and practicably acquired to cover liability exposures and other potential losses arising from the operations of the Snohomish County 911 and the activities of the parties pursuant to this Agreement (which may include Directors and Officers, Commercial General Liability, Auto, Workers' Compensation, Stop Gap/Employer's Liability, errors and omissions, crime/ fidelity insurance, CyberRisk, property damage or loss), and shall direct the acquisition of same.

EXHIBIT A

Process for Selecting Governing Board Members and Alternates

Beginning in 2022, Governing Board Members are selected every two (2) years in April, through the process described below.

If not defined in this **Exhibit A**, capitalized terms have the meaning stated in the Agreement.

As used in this **Exhibit A**:

- **Population Served** means the residential population of all territory Directly Served by a Principal Police Agency or Fire Agency, according to the most recent annual report issued by the State Office of Financial Management each year determining the population of each jurisdiction.

Step 1. Police Agencies are divided into four (4) caucuses

- a. Rank each Police Agency by **Population Served** from smallest to largest, *provided, however*, that to avoid double counting, Population Served shall be based on the population for which the Police Agency has general policing responsibilities; contracts for special services (such as bomb squad or SWAT responses only) are not included in the calculation of Population Served.
- b. Snohomish County shall be its own caucus (until and unless it is no longer the largest Police Agency in terms of Population Served, in which case all four caucuses shall be determined as per Subsection c below).
- c. The remaining Police Agencies shall be divided into three roughly equal caucuses based on Population Served, starting from the smallest Police Agency and working up to agencies serving more population. In deciding where to divide caucuses, the following rules shall apply:
 - i. No Police Agency shall be divided into two caucuses.
 - ii. Caucuses with the smallest agencies (the two caucuses with three Governing Board Member seats, referred to as Small and Medium Police Agencies on the Police Agencies Table below) shall be sized by rounding up (exceeding the population target to the extent necessary to completely include the target population and not divide any Police Agency between caucuses), and the larger Police Agency caucus (two Governing Board Member seats, referred to as Next

Largest Police Agencies in the Police Agencies Table below) shall be rounded down.

Step 2. Fire Agencies are divided into three (3) caucuses

- a. Rank each Fire Agency by **Population Served**, from the smallest to the largest, *provided, however*, that to avoid double counting, Population Served shall be based on fire suppression responsibility; contracts for limited services (such as BLS/ALS response/transport) are not included in the calculation of Population Served.
- b. Divide the Fire Agencies into three (3) caucuses based on whether they are small, medium or large agency, defined as follows:
 - i. A Large Fire Agency is defined as an agency serving 14% or more of the total Population Served by all Fire Agencies.
 - ii. A Medium Fire Agency is defined as an agency serving more than 3% and less than 14% of the total Population Served by all Fire Agencies.
 - iii. A Small Fire Agencies is defined as an agency serving 3% or less of the total Population Served by all Fire Agencies.

Step 3. Each Caucus selects Board Members

- a. In April, designated representatives from each Principal in each Police Agency caucus and each Fire Agency caucus shall meet together and select Governing Board Members to represent them on the Governing Board for the next two-year term. Caucuses may determine their own rules for nominating and selecting Governing Board Members, provided that the following rules shall apply:
 - i. Representatives to the caucus shall be designated by the legislative body of the Principal they represent (or by such other person as local codes may require). Designated representatives must be qualified to serve as a Governing Board Member.
 - ii. An individual need not attend the caucus in order to be selected as a Governing Board Member, so long as the person otherwise meet the qualifications of a Governing Board Member.
 - iii. Each Principal within a caucus shall have an equal vote in selecting each Governing Board Member.
 - iv. Any Principal who has designated more than one representative to the caucus, and is unable to unanimously decide where to place their vote, at the time the vote is called, shall forfeit their vote.
 - v. Voting by proxy will not be allowed.

- vi. No Principal may have an elected official or staff member hold more than one (1) Governing Board seat in a single caucus unless there are more seats than Principals in the caucus.
 - vii. Each caucus shall submit a written statement to the Secretary of Snohomish County 911, signed by not less than half of the caucus' representatives participating in the meeting, confirming the individuals to whom the caucus's Board seats are to be allocated for the next term of office.
- b. Designated representatives from each Associate Agency and each Single-Service Principal shall also form a caucus to select a single non-voting Board Member. Representatives to the caucus shall be designated in the same manner as described in Step 3.a.i, one from each Associate Agency and each Single-Service Principal. The caucus rules described in Step 3.a apply, as do rules for selecting an alternate as described in Step 4. In no event shall the Governing Board Member appointed by this caucus be from an agency that also has a voting Governing Board Member elected for the same board term.
- c. The number of Governing Board Members to be selected by each caucus shall be as follows:

Police Agencies (10 Board Members)

Caucus 1: Largest Agencies (Currently Snohomish County is the only member)	2 Governing Board Members, one of which must be the County Sheriff or an assistant or deputy sheriff directly reporting to the Sheriff – unless or until the County is no longer the Largest Policy Agency (in terms of Population Served), in which case the two board members shall be selected as per Caucus 2.
Caucus 2: Next Largest Police Agencies	2 Governing Board Members, of which one must be operational staff and one must be an elected official
Caucus 3: Medium Police Agencies	3 Governing Board Members, of which one must be an operational staff and one must be an elected official
Caucus 4: Small Police Agencies	3 Governing Board Members, of which one must be an operational staff and one of must be an elected official

Fire Agencies (5 Board Members)

Caucus 1: Large Fire/EMS Agencies	3 Governing Board Members
Caucus 2: Medium Fire/EMS Agencies	1 Governing Board Member
Caucus 3: Small Fire/EMS agencies	1 Governing Board Member

Associate Agencies and Single-Service Principals (1 non-voting Governing Board Member)

1 Caucus	1 non-voting Board Member
----------	---------------------------

Step 4. Each Caucus Selects a Slate of Designated Alternates, in Priority Order.

- a. Each caucus shall select a slate of designated alternates in a number equal to the number of Governing Board seats allocated to that caucus.
- b. Each caucus shall prioritize its alternates to determine the order in which the alternates are called upon to participate at a Governing Board meeting in the event of an absence of any Governing Board member representing the caucus.

Caucuses may determine their own rules for nominating and selecting Board Alternates, provided that the rules set forth in Step 3.a for selecting of Board Members shall apply.

Vacancies

Any vacancies shall be promptly filled by the appointing caucus, which shall meet either in person or telephonically to select a replacement Board Member and/or Alternate to serve the remainder of the vacant position's unexpired term. Such selection process shall be subject to the rules outlined in **Step 3**.

EXHIBIT B

Principal Assessment Formula

Assessments are calculated and charged separately for each Emergency Communications Service provided for each Principal that has elected to receive such service. A Principal that has elected to receive both Police and Fire/EMS Emergency Communications Services will pay one Assessment for service to its Police agency and one Assessment for service to its Fire/EMS agency. A Principal that has elected to receive only police **or** Fire/EMS Emergency Communications Services from Snohomish County 911 only pays an Assessment for the service so received.

Capitalized terms used in **Exhibit B** not defined in this **Exhibit B** have the meaning set forth in the body of the Interlocal Agreement.

Description of the formula to derive Assessments for individual Principals.

Step 1: Divide the Net Adopted Budget into four cost pools:

- **Administration ,Technology, and Wireless Technology**
- **Call Takers**
- **Police Dispatch**
- **Fire Dispatch**

The costs allocable to each cost pool are further defined below (see “Definitions”)

Step 2: Apply Revenues to cost pools according to the following guidelines:

- E-911 Tax Revenues will first be applied to offset all costs associated with the **Call Takers** cost pool. Any E-911 Tax Revenues over and above the amount necessary to fund all costs in the **Call Takers** cost pool will be applied to fund permissible costs for such revenues within the **Administration, Technology, and Wireless Technology** cost pool.
- Emergency Communications and Facility Tax Revenues will be applied to fund permissible costs for such revenues within the Administration, Technology, and Wireless Technology cost pool. Revenues that exceed the Administration, Technology, and Wireless Technology cost pool will be applied to member assessments using the formula assigned to this cost pool.
- The portion of Subscriber Contract revenues attributable to all Emergency Communications Services *except* revenues attributable to the Wireless Technology cost pool will be applied to the **Police Dispatch** and/or **Fire Dispatch** cost pool, based on the services billed to the Subscriber. For example, revenues from a Subscriber contract for Emergency Communications Services with the Stillaguamish Tribe to service its Police Agency will be applied to reduce the size of the Police Dispatch cost pool, except for any increment of such revenue charged for Wireless Technology cost pool items.

- The portion of any Subscriber Contract revenues attributable to Radio System services will be applied to the Administration, Technology, and Wireless Technology cost pool, including but not limited to any revenues attributable to cell tower leases and other non-Assessment revenue attributable to the Radio System.
- Additional Services revenues will be applied to the Administration and Technology, Police Dispatch, Fire Dispatch, and/or Wireless Technology cost pool, based upon where the costs of those services are allocated.

Step 3: Divide the Administration and Technology, Call Taker, Police Dispatch and Fire Dispatch cost pools between Police Agencies and Fire Agencies:

- Amounts in the **Administration and Technology** cost pool will be divided based on the ratio of dispatch workstations assigned to each service (initially, 8 police dispatch stations and 5 fire stations)
 - Police 62%
 - Fire 38%

If the Board approves deployment of an additional dispatch work station to serve Police or Fire Agencies, this ratio will automatically change (the change is not considered a formula change requiring Governing Board approval).

- Amounts in the **Call Taker** cost pool will be divided based on a ratio that reflects an assessment of actual time spent by call takers processing each type of call:
 - Police 75%
 - Fire 25%

A change in this ratio requires Supermajority Vote of the Governing Board.

- Calculate a **Cost per Console** by dividing total Police Dispatch and Fire Dispatch Costs by the total number of dispatch stations.
- Amounts in the **Police Dispatch** cost pool are allocated to Police Agencies and are further separated out on a **Cost-per-Console** basis as between Shared Dispatch Station costs and Dedicated Dispatch Station costs. (In 2017, of the 8 Initial Police Dispatch stations, 5 were shared and 3 were dedicated—1 to Marysville Police, and 2 to Everett Police).
- Amounts in the **Fire Dispatch** cost pool are allocated to Fire Agencies and are further separated out on a **Cost-per-Console** basis as between Shared Dispatch Station costs and Dedicated Dispatch Station costs (In 2017, there were 5 Shared Dispatch Stations in the Fire Dispatch cost pool and no Dedicated Dispatch Stations).

Step 4: Allocate costs to individual Principals, calculating Fire and Police Agency assessments separately as follows:

- **Police Agency Principal Assessments:**

1. Calculate the sum of costs allocated to all Police Agencies in the **Administration and Technology** Cost pool plus the **Call Taker** cost pool, and *subtract* Police Agency Subscriber contract revenues. Allocate the resulting total amount between all Police Agency Principals based on the **Shared Cost Allocation Calculation**. The total Police Agency Principal Assessment for any individual Principal is this amount *plus* the individual dispatch cost allocation derived from *either* item 2 or 3 below as applicable to the individual Principal:
2. **For Principal Police Agencies assigned to Shared Police Dispatch stations:** Each such Principal is allocated a shared of all Shared Police Dispatch Station costs based on the **Shared Cost Allocation Calculation**.
3. **For Principal Police Agencies with Dedicated Police Dispatch stations:** Each such Principal is allocated a cost equivalent to the **Cost per Console** multiplied by the number of dedicated Police Dispatch stations for which they have contracted.

- **Fire Agency Principal Assessments:**

1. Calculate the sum of costs allocated to all Fire Agencies in the **Administration and Technology** Cost pool plus the **Call Taker** cost pool, and *subtract* Fire Agency Subscriber contract revenues. Allocate the resulting total amount between all Fire Agency Principals based on the **Shared Cost Allocation Calculation**. The total Fire Agency Principal Assessment for any individual Principal is this amount *plus* the individual dispatch cost allocation derived from *either* item 2 or 3 below as applicable to the individual Principal.
2. **For Principal Fire Agencies assigned to Shared Fire Dispatch stations:** Each such Principal is allocated a shared of all Shared Fire Dispatch Station costs based on the **Shared Cost Allocation Calculation**.
3. **For Principal Fire Agencies with Dedicated Fire Dispatch stations:** Each such Principal is allocated a cost equivalent to the **Cost per Console** multiplied by the number of dedicated Fire Dispatch stations for which they have contracted.

- **Shared Cost Allocation Calculation:**

Take the total sum to be allocated and divide it up based on three different factors:

1. 54% of total costs are allocated based on the percentage share of a Principal's Calls for Service as compared to total Calls for Service of all such agencies (police or fire—including Principals and Subscribers). Calls for Service shall be calculated as an annual average based on the most recent 8 calendar quarters (see definition of Call Calculation Period).
2. 23% of costs are allocated based on the percentage share of a Principal's Assessed Value as compared to the total Assessed Value of all such agencies (police or fire, Principals and Subscribers).
3. 23% of costs are allocated based on the percentage share of a Principal's Population Served as compared to the total Population of all such agencies (police or fire, Principals and Subscribers).

Principals who were "SERS Phase II" agencies and have a contract with Snohomish County whereby the Principals remit operations and maintenance expenses for SERS to the County to be passed through to SERS will continue to pay operation and maintenance expense of the Radio System under such existing agreements until such agreements are modified to permit direct payment of these charges, or such until such agreements expire, whichever is first.

DEFINITIONS

Fire Agency or Fire Agencies: unless expressly noted otherwise, in this Exhibit these terms include both Principals and Subscribers Directly Providing fire and medical services that are Directly Served by Snohomish County 911.

Police Agency or Police Agencies: unless expressly noted otherwise, in this Exhibit these terms include both Principals and Subscribers Directly Providing police services that are Directly Served by Snohomish County 911.

Cost-Per-Console Total labor costs to staff all police and fire dispatch consoles divided by the number of consoles.

Net Adopted Budget means the budget approved by the Governing Board after action by all individual Principals, applicable in the time period for which the **Assessment** is payable, *less Other Revenues*.

Other Revenues mean revenues received by Snohomish County 911 from sources other than User Fees, E-911 tax revenues and Additional Services, including without limitation Associate Agency fees, other miscellaneous revenues, grants, or awards that may be available from time to time to offset the operating and capital costs of Snohomish County 911.

Administration, Technology and Wireless Technology Costs include all costs associated with providing the supervision, management, facilities costs, insurance, reserve contributions, etc., of running the public safety dispatch center and technologies including wireless technologies, and all other expenditures in the Net Adopted Budget not included in the definition of Call Taker Costs and Dispatch Costs.

Call Taker Costs include all **labor costs** associated with the prescribed number of operational staff assigned to staff the call taking function.

Police Dispatch Costs include all **labor costs** associated with the prescribed number of operational staff assigned to all dispatch workstations designated for serving Police Agencies.

Fire Dispatch Costs include all labor costs associated with the prescribed number of operational staff assigned to all dispatch workstations designated for serving Fire Agencies.

Shared Dispatch Stations are dispatch stations that not dedicated by agreement (as opposed to workload allocation) to serve a single Principal or Subscriber.

Dedicated Dispatch Stations are dispatch stations that are dedicated by agreement to serve a single Principal or Subscriber.

Labor Costs are direct costs of salary and benefits.

E-911 tax revenues mean revenues received by Snohomish County 911 from Snohomish County pursuant to State law.

Calls for Service are defined on Appendix B-1, *provided* that until Snohomish County 911 has been in operation for more than three years, the calculation of the number of **Calls for Service** shall be determined in whole or in part (to the extent necessary to determine the two-year average number of calls for service) based on the number of **Calls for Service** by each **Charged Operation** as reported by the records of the dispatch agency previously serving each **Charged Operation**, and consistent with the definition of **Calls for Service** in **Appendix B-1**.

Charged Operation refers to an individual Principal's fire/EMS agency/operation, being charged under the **Assessment** formula.

The **Call Calculation Period** is defined as the first calendar quarter of the preceding budget year, and the 7 calendar quarters preceding that. (For example, in 2019, the Call Calculation Period be the first quarter of 2018, plus the preceding 7 calendar quarters—all of 2017, and the last three quarters of 2016).

Population Served has the meaning set forth in **Exhibit A**.

Assessed Value is the **Assessed Value** of taxable real property in an individual Principal or Subscriber's or Snohomish County 911 **Service Territory** for the **Charged Operation** (as applicable) for the most recently available tax year, as published by the State Office of Financial Management or Snohomish County Assessor.

"Service Area" means the geographic area of all territory Directly Served by a Principal Police Agency or Fire Agency, with the County's Service Area excluding incorporated areas that are Directly Served by another Police Agency.

Appendix B-1 Definition of “Calls for Service”

The purpose of this Exhibit is to define Calls for Service for purposes of billing/funding calculations.

Snohomish County 911 will bill each Principal based on the User Fee formula, which incorporates consideration of Calls for Service as defined in this Exhibit.

Section 1. Call for Service Defined: Snohomish County 911 defines a Call for Service for workload analysis and User Fee calculation as any request for service or unit initiated activity resulting in creation of a Computer Aided Dispatch System (CAD) incident that requires oversight by or interaction with Snohomish County 911 personnel, with the exception of the following:

- a. Any **mutual aid incident** where another Snohomish County 911 Principal within the same classification (police/fire/medic) is dispatched as the primary responding agency. *For example*, a police department that responds into another police department’s jurisdiction to provide assistance does not constitute a Call for Service charged to the mutual aid responder. However, an incident involving both police and fire/EMS would result in a Call for Service for both classifications. Similarly, any mutual aid request dispatched to a location outside the Snohomish County 911 service area shall not constitute a Call for Service.
- b. Any incident that is a **duplicate** of another Call for Service, or **associated** with another Call for Service. *For example*, multiple calls about a single brush fire incident will result in only one Call for Service for the fire/EMS responder.
- c. Any incident that is **cancelled** by Snohomish County 911 personnel due to an error or similar internal reasons. *This does not include “cleared incidents”*, which are incidents that are cancelled when the requesting party calls back to cancel the response after the incident has been entered into CAD.
- d. Any **informational broadcast** including but not limited to CAD entries type codes of NOTICE, NOTICEP & INFO.
- e. Any **informational incident** used for tracking non police or Fire/EMS activity created by dispatchers solely for the purpose of assisting the dispatcher in tracking such activity, *for example*, utility call-outs.

Section 2: Assignment of CFS: As a general rule, CAD incidents are assigned to a Principal when the incident occurs within its authorized dispatch area (geo-verified location) and service discipline (Police/Fire) with the following exceptions:

- a. **Transit, Fire Marshall, Narcotics Task Force:** these incidents are assigned to the responsible countywide agency regardless of location.

b. **Traffic Stops:** assigned to the initiating agency.

c. **Non-geo verified incidents, in County:** assigned to initiating agency.

If there are significant anomalies in the manner calls have been measured by SNOCOM and SNO PAC, those anomalies shall be adjusted in a manner determined reasonable by the Governing Board (Supermajority Vote item) in order to develop a fair means for determining the number of calls across all agencies.
