

Marysville Fire District
Request for Qualifications for Geotechnical Engineering Services
Addendum #1
January 22, 2025

This email is sent as Addendum #1 for the Marysville Fire District - Request for Qualifications for Geotechnical Engineering Services.

Please make note of the following:

1. Clarifying that Statements of Qualifications (SOQs) are due by 3:00 pm on Wednesday, 1/29/25. SOQs should be emailed to Jeff Cole, jcole@mfdrrfa.org with the subject line Marysville Fire District – Statement of Qualifications for Geotechnical Engineering Services.
2. SOQ Requirements to be modified by:
 - a. References to ***Third-Party Special Inspections and Testing*** should be changed to ***Geotechnical Engineering Services***
 - b. The following section is to be deleted
 - ~~Include an estimate for the entire scope of services. The estimate shall include current pricing for all anticipated field inspections and testing to be provided by the Consultant.~~
3. The example Professional Services Agreement noted in the Request for Qualification is posted on the Marysville Fire District website <https://www.marysvillefiredistrict.org/public-information/bids-and-surplus/> and is titled RFQ Geotechnical Services.PDF

End of addendum #1
