

**MARYSVILLE FIRE DISTRICT
RESOLUTION 2006B-1**

ADOPTION OF THE NATIONAL INCIDENT MANAGEMENT SYSTEM

WHEREAS, response to and recovery from major emergencies and disasters requires integrated professional management and coordination; and

WHEREAS, the President of the United States has directed the Secretary of the Department of Homeland Security to develop and administer a National Incident Management System (NIMS) to standardize and enhance incident management procedures nationwide; and

WHEREAS, the National Incident Management System provides a structure and process to effectively coordinate responders from multiple disciplines and levels of government and to integrate them with resources from the private sector and non-governmental organizations; and

WHEREAS, use of the National Incident Management System, which has as a key component, the Incident Command System (ICS), will improve the ability of Marysville Fire District to manage major emergencies and disasters; and

WHEREAS, failure to adopt and use the National Incident Management System may preclude Marysville Fire District from receiving federal preparedness grants or reimbursement for costs expended during major emergency and disaster response and recovery operations.

THEREFORE, be it resolved that Marysville Fire District hereby adopts the National Incident Management System as the foundation for incident command, coordination and support activities. It shall further be the policy of Marysville Fire District to provide appropriate training on the National Incident Management System and its core components to personnel responsible for managing and/or supporting major emergency and disaster operations.

ADOPTED at the regular meeting of the Board of Directors of the Marysville Fire District this 18th day of January 2006, by majority vote of the members.
